## REV JOHN COYNE

**This message was issued by Rev John Coyne to both church congregations on Sunday 27 April 2025**

In September last year I received some welcome news from my cardiac consultant. He was pleased to say that, medically, I was fixed. However, he then went on to say that my lifestyle must change to conserve my health. He suggested that, before too long, I should consider retirement, and that was not welcome news.

Over subsequent months different doctors have kept an eye on me and pressed the point until, in the end, I recognised that, in the interests of our parishes and myself, I should heed their advice.

To serve our admittedly small parishes well requires a lot of energy and I have gradually seen my stamina decline. And so, with regret, I must announce today that I will be retiring at the end of August this year – a full twelve months earlier than I had originally intended.

From this point onwards, the PCCs and Churchwardens in both parishes will be able to begin the process, with the Patrons and the Diocese of Chester, to look for a minister who can lead these parishes further into God's future.

Please pray for all concerned and pray for Sue and I, as we shall certainly pray for you.

*John*

---

*The PCC of St Nicholas' Church, Burton and the PCC of St Michael's Church, Shotwick, as well as both church congregations and people from across the local community to whom John ministered and with whom he has maintained contact and provided much pastoral care over the last three years, will wish John and Sue Coyne well following their decision to step back from the rigours of managing two parishes and all the associated responsibilities that inevitably come with the office of parish priest.*

LOOK BACK & PARTY, LOOK  
AHEAD & MAKE A DIFFERENCE

REVD JOHN COYNE

8 May 1945 was a day when nations took a deep breath and partyed.

Although it was some time before Japan surrendered and the conflict in the Far East was also over, most people in Great Britain and Northern Ireland regarded VE Day as the end of World War 2 and the beginning of their return to normality.

They could hardly take it in that after almost 5 years, Europe at least and months later the Far East saw the end of the Second World War. It led to a realignment in Europe. Troops who had been deployed on operations, (some of them for years), would soon be home. Separated families would be reunited; children who had been evacuated during the Blitz could be brought back to cities, some to find many of their streets and homes devastated by bombing.

Although many would grieve their loss and suffer from unhealed wounds for years afterwards, VE Day in 1945 became the Day for Street Parties, the day for celebration and despite the limitation of food rationing, it was the day for rejoicing. It is good that the joy and celebration marking the end of World War 2 is still remembered, and especially so this year, its 80th anniversary.

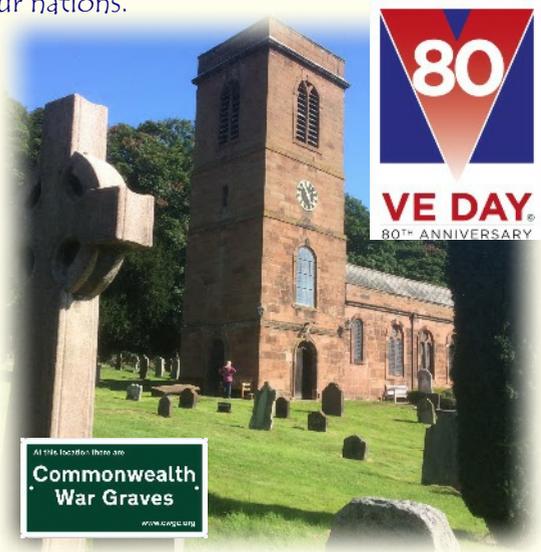

The anniversary will be marked over four days across our country with parties, church services and community events. In Burton there will be a Community Picnic on Monday 5 May at Burton Sports Field starting at midday and on the preceding day a Service at St Nicholas Burton at 10:00am and later at Shotwick at 11:30am will mark a day 80 years ago that was a turning point across Europe. That day eventually gave birth to a long-term commitment to building a shared peace among our nations.

Come and join in all the celebrations and if you can help please look out on community social media for more details and offer your assistance.

It's time for us to party. It is also time to reflect that changes to our world order on many levels are currently looming which call for a new resolve to seek peace across national and ethnic boundaries. It's time to rebuild community locally and ensure that all of our communities flourish with the help of every generation – young, old and in between. Join in please.

Whenever Christians meet together to worship, and especially when we share in Holy Communion we not only remember that Jesus gave his life for all of humanity at the Cross but our worship is a timeless banquet, a never-ending party, to celebrate much that is good, self-sacrificial and Christ-like in the world today. It's an antidote to cynicism and a call to live faith-filled, generous lives which bless others every day and push back on all that undermines the best that God intends for us all.

# PALM SUNDAY

Marking the triumphal entry of Jesus into Jerusalem

Walking with palm leaves and Paddy the donkey from Burton Manor to Church for a special family friendly service.

## MAUNDY THURSDAY

### Remembering the Last Supper

A Seder meal was held at 5 Burton Manor Gardens.

The Seder is a ritual feast marking the beginning of the Jewish holiday of Passover and recalls God's deliverance of the Hebrews from Egyptian slavery.

Today it is observed by Christian churches to commemorate the Last Supper, linking to the Holy Communion that Jesus initiated a short while before his Crucifixion. Christians draw upon the theme of deliverance to recall Jesus' offering of himself to restore us to a relationship with God.

## GOOD FRIDAY

### Walk of Witness

Reminding us that Jesus had to carry his cross through the streets of Jerusalem.

There was a short service at 2:00pm in Shotwick and then a walk across the fields to arrive in Burton at 4:00pm for refreshments and a short concluding service.

# ***GARDENERS' QUESTION TIME***

Fund-raising in support of church funds is essential to the life of St Nicholas' Church. And, when the fund-raising activity can provide a topic of interest to local people, it makes for a very successful event.

On Sunday 27 April a panel of local gardening experts faced a very intimidating audience gathered in the Gladstone Village Hall, all keen to know why their plants had failed to live up to expectations or how to make the best compost. There was a myriad of questions posed to the panel which included: ***Ted Brabin, Liz Carter, Tim Baxter and Peter Cunnington.***

St Nicholas' Church is grateful to the panel and to all those who contributed towards the event. It all added up to a very informative and convivial afternoon - not to mention the array of home-made cakes, scones and tea and coffee on offer.

***The event raised some £705 towards church funds.***

Thank you to all who were able to support this event.

We have come to the end of another term and everyone is ready for a rest.

The building work which was started before Christmas is now complete and our new baby room (run by S4YC) is welcoming children from 9 months old. Preschool (also run by S4YC) and our reception class now share a hub which contains suitably sized toilet facilities. It has been a lot of work to get this far and the settling process is now underway. Everyone is welcome to come and look around. Please contact [admin@bishopwilson.cheshire.sch.uk](mailto:admin@bishopwilson.cheshire.sch.uk) to arrange a visit. Anyone interested in baby room or preschool places should contact [bishopwilson@s4yc.co.uk](mailto:bishopwilson@s4yc.co.uk).

As well as working very hard there have been many visits. The Eagles class went on an outdoor activities holiday with children from Christ Church Ellesmere Port and had a fantastic time. Robins and Kingfishers visited the Blue Planet Aquarium and Robins also visited a local farm to see the lambs. Thank you to the Crossley family for making them so welcome.

The Robins also had a peek at Hampston's Well as they were passing, admiring the beautiful flowers. Some of Owls class visited Roman Chester and 'sinister dexter' has since been heard around school. Other Owls visited Ness gardens and got up to lots of exciting activities.

## Bishop Wilson Church of England Primary

"The joy of the Lord is your strength" Nehemiah 8:10

We must say a great big thank you to the PTA for arranging the Easter egg hunt on the last day and especially for the eggs and arranging a visit from the Easter bunny. The Kingfishers and Robins were very excited by this.

Sadly, I will be leaving Bishop Wilson Primary at the end of the summer term after 25 years. It has been a pleasure to work with so many lovely people in the church and local community (as well as the wonderful children and staff of course). I would therefore like to take this opportunity to thank everyone who has been part of my journey at this school for their hard work, support and kindness over the years.

Mrs Roberts

# News

Where do I begin to describe a very special Confirmation Service held at St Michael and All Angels in Middlewich recently?

It was led by Bishop Julie and assisted by other ministers including our own vicar, John Coyne.

I was there along with others from our congregation to support three dearly held and dedicated people who took the step of choosing to commit themselves to Christ through the affirmation of promises made at their baptism as they continue on their Christian pathway.

It was an occasion of joyful singing, prayer and emotion.

These photos from a card given to me on a recent Sunday, speak volumes of what the service meant to James, Katie and her father Chris.

## Fighting Poverty in Guatemala: The story of Aurelia.

Aurelia's farm, first and foremost, feeds her family. She tries to grow a range of crops so she can provide them with a balanced diet. But as increasingly intense conditions kill her crops, Aurelia's ability to safeguard her family slips away.

With funding from Christian Aid, Congcoop supports communities to adopt ecological approaches that conserve their land, culture and livelihood. By working with Congcoop, Aurelia's gained the skills and knowledge to cultivate native seeds that are better suited to the changing climate. She's producing her own organic fertiliser, creating nurseries, constructing rainwater collection systems, and making nutritious food and medicine for her chickens.

Aurelia's hope has inspired her to develop other activities in her community, including producing chocolate, establishing a farmers' market, and fighting for women's rights.

# FORAGING WALK

Saturday 17 May 2025

10:30am – 1:30pm

Join a guided foraging walk to find the best edible plants and mushrooms the season has to offer.

Sam from Foraging ForAges will be leading this guided walk. Sam is a professional forager and she has been leading guided forays since 2017.

The walk will last around 3 hours. Sam will guide you around the gardens and will talk you through how to safely identify each species, how to sustainably harvest, and the best ways to use each ingredient in the kitchen.

After the walk you'll receive a follow up email with a list of what was found.

[www.freepik.com](http://www.freepik.com)

Sam will also bring along some of her home made samples for you to try.

The foraging walks are aimed at adults. Children who will find the session interesting are also welcome to attend, although the walks are recommended for aged eight years or above. All spaces, adults and children, will need to be reserved on the walk. Children must be accompanied by a participating adult.

Cost: £35 for members and £40 for non-members.

# Down the Garden Path with Flori Bunda

## *An Exciting Time Of Year*

The Spring flowering bulbs were/are wonderful, especially the Camellias – White Swan, a pale pink, Dark Red (Maggiore) and the last to bloom, Lady Macon (beautiful, huge pink blooms). Many vases were filled with these exotic blooms. Also Hellebores, Daffodils, Hyacinths, Muscari (grape hyacinth) and more.

The Ribes (flowering currant) have been lovely and when the flowers have died off, same will be pruned.

Although Celandines are really a wildflower, they appear each year in masses in the garden (good for pressing).

Gladioli bulbs saved from last year did not survive so Gladioli Strong Gold were purchased.

The crown florets on the Hydrangeas have been removed along with any dead wood.

Clematis Montana Rubens and Nelly Moser are just coming into bloom.

The Sweet Peas continued to grow on and have now been planted. Misty Mountains is a variety new to myself and I can't wait for the blooms (hopefully).

The greenhouse, of course, is full to capacity.

The Dahlias are growing on well. Annual mix (pink) is ready to be pricked out but germination of Larkspur is yet to materialise.

Lilac is coming into bloom. What an exciting time of year!

Goldfinches, pairs of blackbirds, blue and great tits have been seen. Of course, Robbie Robin and, heard but not seen, Jenny Wren.

## *Tasks to be getting on with:*

- Prick out seedlings
- Prune Ribes, Forsythia
- Remove weeds
- Water pots if dry

*Happy Gardening!*

*Flori Bunda*

# RICHARD THE POSTIE RETIRES

On 7 March there was a gathering of residents from Burton and Puddington to say thank you to Richard Green, our long serving postman of many years, and to wish him well in his retirement.

There was a fantastic turnout – a true measure of how popular and liked he has been over the years. It was lovely that his wife Lorraine was able to come too and hear a number of anecdotes about him from his many fans!

Lindy Parkinson created the most amazing cake which he was delighted by. Once again the many “secret helpers” who helped run the bar, clear up and generally organise the event made it all possible and we are all very grateful to them.

Over the last month or so before his retirement a collection was arranged for him and it remained unknown to him right until the day of his party, so many thanks to all those who contributed, not only for their extraordinary generosity but also for keeping the secret. The final total collected was over £1,300.

After more than forty years working for Royal Mail, many of those on our patch, Richard deserved a good send off and nobody could argue that he certainly got just that!

Enjoy your retirement Richard!

# Tales From Wirral Foodbank

Together with Trussell

April is here, and this year that means warmer weather relieving pressure on household budgets, but it's also the start of a new financial year. Wirral Council is under financial pressure and has been forced to seek to cut costs. One of the costs that's been cut is the council tax support for those in receipt of housing and other benefits. Because of the poverty in the area Wirral used to be quite generous with this discount compared to other councils. They now come more in line with what other councils provide. This has meant that a single person typically has to find an extra £20 per month, and a family £33. Although wages and benefits have been rising, so have food costs, so this additional cost is causing concern. No visible impact on numbers of Foodbank clients yet (the change is less than a month old), but it's a topic that clients bring up.

It strikes me that I'm writing a lot of the time about non-food issues, but in reality, what drives people to come to a Foodbank, is quite varied. The pressure ends up in the same place – people who cannot see how they will be able to satisfy the most basic needs in Maslow's hierarchy (which include food, water and shelter) are seeking help for themselves and their families. There is a wider, long-term plan from the UK government to improve this. It is the economic growth that the Chancellor is pushing, which, along with other outcomes, is expected to increase opportunities and incomes for the lowest paid. Unfortunately, any significant results are years away.

In the meantime, your donations of food and money provide a lifeline to our neighbours. Food donations can be made at many supermarkets. The Wirral Foodbank is looking for rice pudding, tinned potatoes, tinned meat, and tinned fruit, while the West Cheshire Foodbank is looking for meat paste, small jars of instant coffee, biscuits, custard and toothpaste. Both Foodbanks also accept monetary donations which they use to bulk buy food as needed and to provide other services to Foodbank clients. Regular donations especially help with financial planning.

<https://wirral.foodbank.org.uk/give-help/donate-money/>  
<https://westcheshire.foodbank.org.uk/give-help/donate-money/>

Thank you again for your care and support for your neighbours in Wirral and West Cheshire.

## Spring Has Arrived!

Spring has definitely come to Burton Mere Wetlands and there's lots to see. The Bluebells are out in the woodland areas and the Marsh Marigolds are providing a bright splash of yellow along the boardwalks.

Waders are still being seen in good numbers, with Knot roosting among the Black-tailed Godwits, and sightings daily of Bar-tailed Godwits as well as Spotted Redshank, Ruff, Common Sandpiper, and Little Ringed Plover as well as the Avocets and Lapwings.

Cetti's Warblers, Chiffchaffs and Blackcaps are being heard in most areas and have been joined by Willow Warbler, Reed Warbler, Sedge Warbler, Whitethroat. Some visitors have even been lucky enough to get photographs of the elusive Grasshopper Warbler. Swallows, Sand Martins and House Martins have been seen in good numbers over the scrapes, particularly when the cloud cover means that they are hunting insects low over the water. Skylarks, Reed Buntings and Stonechats have also been seen as well as an occasional Whinchat.

Both Little Grebe and Great Crested Grebe are present, and duck species include Tufted Duck, Gadwall, Shoveler and a few remaining Teal.

Butterflies being seen include Comma, Peacock, Large White, Speckled Wood. Orange Tip, and other insects include this Marsh Tiger Hoverfly photographed on the Marsh Marigolds.
